EU Projects	<p>1. Promoting inclusion through Social Innovation Education (SIE4P.Inc)</p> <p>Promoting inclusion through Social Innovation Education (SIE4P.Inc) is an Erasmus+ KA2 project that involves cooperation between France, Greece, Romania, Cyprus and Ireland.</p> <p>The SIE4P.Inc project seeks to address the problem of the lack of opportunities for empowering students with AEN (Additional Educational Needs) to become agents of change by creating the first-ever framework, resources, and training for inclusive Social Innovation Education (SIE). The project's target groups (young people with AEN, teachers, and youth volunteers) will benefit from the inclusive framework, the training, and the resources that are going to be developed during the life of the project.</p> <p>Project duration: October 2022 - October 2024</p>

	<p>2. Youth Empowerment for Social Inclusion (YES-SI) Youth Empowerment for Social Inclusion (YES-SI) is an Erasmus+ KA2 project that involves cooperation between Germany, Greece, Italy, Spain and Ireland.</p> <p>The YES-SI project aims to empower young people, bringing them together, making them aware of their capacity to change their circumstances and those of their communities and realizing their own changemaker projects. YES-SI intends to raise awareness among young people of their powers and potentialities in order to prompt them to act both for their personal and collective development through social and civic innovation directly supporting their community needs. Project duration: February 2022 - August 2024</p>
<p>D. ADMINISTRATIVE DATA</p>	
<p>Please briefly present the partner organisation.</p>	<p>Rooted in the Mythos, Wisdom & Community Spirit of the Tuatha Dé Danann, SEi Tuatha brings together a collective of individuals and organisations in the innovation, education, social and sustainable enterprise space. Our vision spreads across a network of 20 countries and a 35 year track record of pioneering social enterprise and social awareness at the heart of economic development. The Tuatha team has worked with communities and young people in Ireland, other European countries as well as in Asia and Africa. The team is based in Ireland but has active 14 team members based in Germany, Croatia, France, UK , Nigeria, Indonesia and Panama. As well as rooted in the Irish experience the company brings a wide experience from other European countries, Asia and Central America. The core work of SEi Tuatha is around education, social enterprise and especially using social enterprise to help communities develop their own economies and become sustainable. Within the team there is a Enterprise Education team that is working on a number of projects in Europe developing social innovation education in schools and learning institutions, helping young people become leaders in their communities. In terms of social enterprise SEi Tuatha is championing and pioneering Shared Wealth Social Enterprises, a new model of social enterprise that focuses on the fair distribution of wealth, Social Auditing as a way of creating an accountable statement of purpose for enterprises and Social Licencing as a way for enterprises to collaborate based on common values and social objectives. SEi Tuatha is linked though Social Licenses with several organisations in France, Croatia, UK, Nigeria, Brazil and Indonesia and therefore has access to resources and support covering all aspects of social enterprise, cooperative working, mutuality, education and sustainability.</p>
